English Language Requirements

The language of instruction is English. Applicants can satisfy the English language requirements in a number of ways. Note that the language requirements for undergraduate students and graduate students are not the same. Details of the requirements are available at:

www.futurestudents.unimelb.edu.au/admissions/entry-requirements/language-requirements.

Application

Students should apply online at: www.mobility.unimelb.edu.au/inbound/apply/. Please send your student(s) the *Student Instructions* to use when applying. These can be downloaded from our website at:

www.mobility.unimelb.edu.au/2017Unimelb_StudentInstructions.pdf.

Please note:

- that “@hotmail.com” email addresses are not accepted due to problems sending and receiving information from these accounts.
- while we require students to upload all their supporting documentation into the online application, you must still send a copy of their transcripts to us by email or fax together with the Nomination form. **DO NOT POST** original documents to us unless requested by us at the time.

Subject Load

Terminology

- **Course:** A degree or program studied, for example, the Bachelor of Arts is an undergraduate course. Courses vary in length from three to seven years.
- **Subject:** A unit within a course, for example the subject “Aboriginal Art” can form part of the Bachelor of Arts course. You can search for undergraduate subjects using the online handbook.

Students may take a **maximum** subject load of 50 points (usually 4 x 12.5 points per subject) for one semester. The minimum enrolment for student visa purposes is 37.5 points for one semester.

Study Abroad

Students may select subjects from any area as long as the subject is open for that semester, the student meets pre-requisites, and there are no faculty restrictions:

www.mobility.unimelb.edu.au/inbound/before-applying/faculty-requirements.html.

Exchange

If the exchange agreement between the home institution and the University of Melbourne is restricted to one faculty (e.g., Business), it may be necessary to get permission to take subjects outside that faculty. If the exchange agreement is a general agreement, students are usually able to take subjects from any area provided the subject is available that semester, the student meets pre-requisites, and there are no faculty restrictions:

www.mobility.unimelb.edu.au/inbound/before-applying/faculty-requirements.html.

For more information about selecting subjects, please see:

www.mobility.unimelb.edu.au/inbound/before-applying/selecting-subjects.html.

Overseas Student Health Cover

It is an Australian Government requirement that all international students must have health insurance, known as Overseas Student Health Cover (OSHC), from an approved Australian provider. No Confirmation of Enrolment (CoE) documents will be issued until a student has either purchased OSHC through the University of Melbourne or provided evidence of having this purchased such insurance elsewhere.

For more information, please see:

- www.services.unimelb.edu.au/international/visas/oshc.html
- www.health.gov.au/internet/main/Publishing.nsf/Content/Overseas+Student+Health+Cover+FAQ-1#Doc

Visa Requirements

Students coming from overseas to study at the University of Melbourne must have a student visa unless they are an Australian or New Zealand citizen. Study Abroad or Exchange students apply for the **Student Visa (sub-class 500)**. They can do this once we issue the Confirmation of Enrolment (CoE). We do not issue this document until students have accepted their offers and met any conditions required.

In addition, the Australian Government has recently introduced a new visa processing arrangement which enables visas to be issued more quickly. In order to do that, students may be required to provide more information to us before we can issue the CoE. The information can be regarding: their health; their capacity to support themselves financially while studying in Australia; their ties to their home country, or country of residence, in order to demonstrate that they will be returning to there at the end of their time in Australia; and whether they have ever been refused an entry visa to a country. We will contact students and/or their agents/representatives if we feel we need to ask these questions.

Arrivals

The closest airport to the University of Melbourne is *Tullamarine Airport*, which is approx. 20km from the city centre. The University offers an airport pick-up service for study abroad and exchange students; however, they must first make a reservation. For more information, please see:

www.services.unimelb.edu.au/international/life-and-study/apply-for-airport-pickup.

Housing

It is imperative that students organise their housing early. As soon as the admissions application has been submitted, students should begin to organise housing using their Application ID (Student Number). Students who wish to receive assistance to find housing should contact saex-housing@unimelb.edu.au, as there is a University staff member dedicated to helping study abroad and exchange students with this matter.

Housing for students can be broadly categorised into residential college housing and “off-campus” housing, which comprises student housing (in some cases across the road from the campus), or private rental accommodation in neighbouring suburbs. It is best that students begin their research online, which will have the most up-to-date information on housing options, including application deadlines:

www.mobility.unimelb.edu.au/inbound/life/housing.html.
