

Queen's Law Orientation 2009 Registration Information

Welcome Class of 2012!

Welcome to Queen's Law! The Orientation Committee would like to extend a warm welcome to you from Queen's University and the Faculty of Law. We are positive that after you have attended the first few Orientation events you will know beyond a doubt that you made the best decision of your life when you selected Queen's Law as your home for the next three years.

While all of the events during Orientation are voluntary, we strongly encourage you to come out and to participate in as many events as possible. The line-up of events for Orientation 2009 is amazing and we are sure that some of your fondest memories of your time at Queen's and friendships will start right from the beginning during Orientation. A small sample of the events we have planned include mixers at various local restaurants and pubs, a boat cruise of the 1000 Islands, a Gala Semi-Formal, and cheering on our legendary football team!

Queen's Law prides itself on much more than academics and it likely has the most supportive and vibrant community of any law school in the country. Orientation events serve as an excellent opportunity to dive into this community and to meet your classmates, upper year students, the faculty and staff members. The orientation lineup has been designed to get everyone out of their shells and feeling comfortable in our close-knit community.

We are lucky to have a wonderful group of Queen's Counsel (QC) leaders who are more than happy to assist you in any way during Orientation. Our QC leaders are a dynamic group of individuals who have been involved within the Faculty in a variety of ways – feel free to talk to them about the spring programs offered at the Bader International Study Centre (Herstmonceux Castle), intramurals, varsity athletics, participating in the Queen's Legal Aid Clinic, Pro Bono Students Canada, the Law Journal, the annual 1st year Mooting program or pretty much anything else concerning Queen's Law or living in Kingston. The QC leaders are here as a resource for all of you in addition to being some of your first new friends at school. They are fully dedicated to making your transition into the Faculty and Kingston as smooth as possible, so don't hesitate to ask questions!

Congratulations on making the decision to enter Queen's Law. We look forward to meeting all of you in September. We hope that Orientation will help to kick off what will prove to be an unparalleled experience over the next three years.

If you have any questions or should you need anything please feel free to contact any of the members of the Orientation Committee.

Enjoy the rest of your summer!

Best regards from your 2009 Orientation Committee,
