How to Apply to Queen’s Faculty of Law

Exchange students must first be nominated by their Exchange Coordinator in their home university. The nominated exchange student will then be contacted directly by Queen’s University regarding next steps to complete the application procedure.

Deadlines

April 1, 2020  
Student is nominated by home university (notice of both fall and winter term nominees requested). Partner universities will be notified that the online nomination system is live in early 2020.

April 30, 2020  
Exchange student nominated for the fall term or full year completes the application process and submits official transcripts.
Academic and English Language Requirements

The Juris Doctor (JD) professional degree in law is taught at a level comparable to graduate studies. Canadian students are admitted to this program after completion of an undergraduate university degree. Therefore, incoming exchange students should be academically strong, in the upper-years of their legal studies, with a cumulative average of no less than B, (3.0 on a 4.0 grading scale), especially if they will be facing a change from civil law to common law studies and language barriers.

At Queen's, English is the language of instruction and communication, except for the language departments. Proficiency in English is a prerequisite for admission. Applicants whose native languages do not include English may be required to obtain satisfactory standing in an English Language Proficiency Test as part of the application process, and before final acceptance is granted.

Enrolment in the University Health Insurance Plan (UHIP) is compulsory for all international students registered at Queen's University. International students will be automatically enrolled in the University Health Insurance Plan (UHIP) for each term of their enrollment at Queen’s University. The fee for single UHIP coverage will appear on the student fee account prior to the start of each term under the title “International Health Care”. Payment of the UHIP premium in full is required to register. Please see the fees.

For use in Canada, UHIP coverage will begin in mid-August 10 (for September starts) and mid-December 10 (for January starts). Students planning to arrive in Canada before this time are recommended to have adequate emergency medical coverage and travel insurance.

More information: University Health Insurance Plan.

Law exchange students also have the option of purchasing the Society of Graduate and Professional Students (SGPS) student government’s supplementary health and dental plans, if they wish to have additional coverage on items not covered under UHIP. Please visit SGPS Health and Dental Plan for opt-in deadlines and fees.

Special Needs and Disability Accommodations

If you have any special needs arising from a disability, please let us know so that we can make arrangements to put the suitable accommodations in place for the adaptation of course materials, if needed, or for examination accommodations.

Contact Helen Connop, Manager of Education and Equity Services (helen.connop@queensu.ca) to discuss your needs. See also the Campus Accessibility Hub.

Housing

Incoming international exchange students live off-campus in nearby privately owned housing, usually within a 15-minute walk to campus. We recommend students come to Kingston at least one week in advance to find adequate accommodation, as furnished housing is in high demand in the fall. It is also recommended that students do not sign a lease or send rent money to a landlord before arriving in Kingston.
