MOOT COURT PROGRAM 2019-2020

Early tryouts this year! Be prepared!

Upper year students wishing to try out for a moot team can start signing up for an appointment online starting 19 August 2019. The tryout problem will be released on 19 August and the tryouts are on September 6, 7, 8, 2019. (Links to everything will be provided at the link below on Monday)

Competitive mooting is a unique experiential learning opportunity which offers academic credit and is quite popular. You’ll have an opportunity to challenge yourself intellectually in an area of law that you indicate interest in. You’ll work in a team environment (both fall and winter terms to various degrees depending on the
moot) honing your written and oral advocacy skills which will be put to a test at competition in the winter term against students from other schools in front of actual practitioners and/or judges – perhaps even a Supreme Court Justice! An advisor (and sometimes peer coach) is assigned to a team to provide direction as needed.

Please go to the Moot Court Program webpage in the law portal for more information including the date for the Information Session.
