Queen’s Law Journal, the Canadian Labour and Employment Law Journal, and/or the Canadian Journal of Commercial Arbitration.
Attention all students interested in volunteering with the *Queen's Law Journal*, the *Canadian Labour and Employment Law Journal*, and/or the *Canadian Journal of Commercial Arbitration*. We want to hear from you!

Volunteering for any of these peer-reviewed law journals is an opportunity to sharpen your editorial eye, to improve as a written advocate, to familiarize yourself with currents of thought in the legal profession and Canadian legal academia, and to interact with leading academics and practitioners who write for the journals and serve on their advisory boards. Regardless of whether you hope to end up in private practice, in government, at an NGO, or in academia, your experience as a volunteer – and perhaps as a member of a journal's editorial board in 2L and 3L – is certain to serve you well in practice.

To apply, you submit one application online. The application can be found [here](https://queensu.qualtrics.com/jfe/form/SV_bpFSYRDYfpVTCjH). Applications are due at **11:59 pm on Saturday, September 14**. Offers will go out on **Tuesday, September 17 at 5:00 pm**.

**SGPS Orientation Events**

**SGPS Night at the Museums**
Wednesday, September 4, 6:00pm-9:00pm

Did you know that Kingston has the most museums, historic sites, and art galleries per capita in Canada? In partnership with the Kingston Association of Museums, we are excited to guide you through two museums on campus: Murney Tower and the Museum of Health Care. We will then have drinks and appetizers at the Grad Club, where a few other museums will have displays and information. This event will be fun and informative, and a great way to learn about different cultural institutions in the Kingston Area and the people who run them!

**SGPS Speed Meeting and Trivia at the Alibi**
Friday, September 6, 5:00pm-9:00pm

This event will take place on the lovely patio at the Alibi on Princess Street. We are adapting the “speed dating” model to create a (platonic) networking opportunity: instead of seeking romantic relationships, participants will be able to meet a lot of other grad and professional students in a short amount of time and learn about their research/professional interests. We will also be playing trivia and providing some appetizers for the evening.

I'm hoping that you can pass around this information to incoming and continuing students alike, we are really excited to welcome as many people as possible next week! If anyone has questions or comments, please email me at social@sgps.ca.
This Sustainability Week (September 29 – October 3) communicate what sustainability means to you through your own painted design on a Queen's dumpster! Design submissions are due by September 13th at 4:00 p.m. to sustainqueens@gmail.com and must include a written concept with a minimum of 2 sketches. Four designs will be chosen, and the chosen designs will be announced by September 16th. Artists will be provided acrylic paint, brushes, drop cloths and their own dumpster. The painted dumpsters will be displayed during Sustainability Week, and judged at the end of the week by a team of judges from Sustainable Kingston and Waste Management. Prizes will be rewarded to the winning designs. For more information
please contact sustainqueens@gmail.com or see the Dumpster Art Contest Facebook event.
