The Moot Committee is very pleased to announce the 2019-2020 moot teams. The tryout process was excellent. We saw nothing but fine advocates grappling with excessive speed as the basis for the offence of dangerous driving, and debating whether to recognize a new tort of harassment.

In the end, we had some very difficult decisions to make, with dozens of factors and considerations to weigh and balance. Without doubt, we had many more excellent oralists than we had spots on teams. For this reason, the committee wishes to emphasize that any 2L student who did not succeed should, please, try again next year.

To all who succeeded: congratulations and we wish you a very successful year. Please connect with your teammates and coaches within the next week or so, and be sure to check that the spot of student coach and student researcher are filled for your team. If spots are not filled, work to identify good candidates and have them submit a request to your specific moot team coach.

Finally, please note that attendance at the Grand Moot on Friday September 13 at 3:45pm in the Moot Court Room is mandatory for all who are selected to a moot team. This will be an incredible learning experience to launch your year.

Thanks again for all the work that you put into the tryout process.
