Moot:

---

Course Enrollment (Oralist):

Course Enrollment (Coach/Researcher):

---

## Evaluation

Oralist: Letter grade based upon research, written materials, oral performance, and participation during preparation and at the competition.

Researcher/Coach: Letter grade based upon academic work contributed, as well as the independent performance of administrative and organizational responsibilities as expected and/or assigned by the team supervisor. A paper or memo is required (see note 2).

## Notes

- 1) Simultaneous registrations for two moot program positions in the same academic year is prohibited.
- 2) A paper or memo on a legal issue arising out of the moot should be a significant component to earn the academic credit. It should be comparable to what would be required for a one-credit course and chosen in consultation with the moot supervisor.

---

Supervisor's signature (Coach/Researcher positions only): \_\_\_\_\_  
*Students may provide an e-mail in lieu of the supervisor's signature.*
