

Permission to apply late may be granted if the applicant likely would be competitive for admission in the category claimed, there is good reason to explain the reason for applying late and the delay is not substantial. You will be required to provide an unofficial copy of your transcripts and LSAT score report, on the understanding that official copies are required to support your application through OLSAS if you are granted permission to apply. In order to obtain an OLSAS username, you must go to the online application site to initiate an application at [www.ouac.on.ca/olsas/](http://www.ouac.on.ca/olsas/). You will not be able to proceed with your application to Queen’s Faculty of Law until permission has been granted, this decision has been relayed to OLSAS and OLSAS has had time to update its application website with the permission.
