### Examinations

There are two exam periods at the University of Leeds: one in January and one in May/June.

If students need to re-sit all or part of a module, the re-sit period is in August. These resits may be taken overseas if appropriate. This will involve a fee.

LISS modules are assessed by other means, such as coursework, presentations, practical assignments in class.

If Semester 1 students find that teaching at their home university clashes with the January exam period, they can apply to take exams at their home university. They will pay a fee for this.

Transcripts

All undergraduate official transcript of records will be released in late-July after the results are officially released.

Semester 1 only students will receive an electronic provisional transcript in late February. Please note that these marks remain provisional, and are therefore subject to change, until they are officially released in July.

Postgraduate marks are officially released in November, so official transcripts for students who have taken postgraduate modules may not be available until this time. LISS students will receive their transcripts in September.
