Teaching and Learning Environment

- Number of courses taken: 3.
Course selection for courses taught in English: Extensive selection of legal courses at the Masters level that are taught in English.
Quality and Style of Instruction: Largely Socratic Method of teaching.
Assessment method used: Pass/Fail

Quality of Administrative Support for Students

- The University had shuttles prepared for student arrival and a pre-registration for housing and additional accommodations.

Campus Facilities

- Study rooms available throughout Campus. Quiet and group study options available as well as cafés geared towards graduate students. Library services provided books in multiple languages- also bookstores around the city that sold books in various languages. No gym memberships included in campus registration.

Student Accommodation and Food

- Accommodation was found through Uppsala student housing office. Costs range from \$600-\$1000 a month (during the 2021 school year).

Travel to Downtown and Environs

- Uppsala University is located in a small city- very similar to Kingston and its surrounding area. Grocery stores and other amenities are within walking or biking distance.

City Life Highlights

- Very student-oriented city life. A series of activities and events are available for students. Various opportunities to engage with other international exchange students/ locals.
